SOW WITH US,
HARVEST THE WILD!

WILDLIFE SUNFLOWER

Use Peredovik black sunflower in food plots for deer, turkey, dove, pheasant, rabbit and quail. Doves especially love the seeds. Deer will seek out the sunflowers when plants are young.

- Great to use in mixes
- Highly palatable when young

SEEDING RATE:

Sow 8-10 lbs. per acre

HALL, NY (585) 526-6391

MIFFLINBURG, PA (570) 966-3841
